A notice published in the **Federal Register** on May 23, 1995 (60 FR 27274) announces that if no solution is agreed upon in consultations between the Governments of the United States and Hong Kong on Category 440 the Committee for the Implementation of Textile Agreements may establish a limit at a level of not less than 5,428 dozen for the twelve-month period beginning on April 27, 1995 and extending through April 26, 1996.

Category 440 shall remain subject to the Group II Limit.

This action is taken in accordance with the Uruguay Round Agreement on Textiles and Clothing and the Uruguay Round Agreements Act.

The United States remains committed to finding a solution concerning Category 440. Should such a solution be reached in consultations with the Government of Hong Kong, further notice will be published in the **Federal Register**.

A description of the textile and apparel categories in terms of HTS numbers is available in the **CORRELATION:** Textile and Apparel Categories with the Harmonized Tariff Schedule of the United States (see
